

To: Alex,

you made our Christmas
with the outstanding remodeling
of our condo. I went with my
gut instinct and totally went
with you to redo my condo
while we were up North. We
trusted the job would be done
and didn't worry about a thing.

Everyone that sees the condo
loves your work and I tell
them how great it was working
with you.

Thanks again for
everything.

Have a great "2011" and
stay healthy. Sincerely,
Dotie & Jess
