Dear Alex:

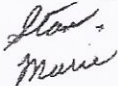

Please accept our sincerest Thank You for the excellent job which you did in replacing the dome ceiling in our condo.

We cannot describe what a difference the beautiful new tray ceiling has made. And the removal of the partial wall between the kitchen and the dining area has opened up the entire space.

We appreciate all of the excellent suggestions you made -- pot lights, removal of popcorn ceiling, counters and floor tile are just a few examples. And the cleanup was outstanding also -- we only had to move back the furniture and hang the pictures!

The entire experience has been simple, the job was delivered as promised and completed as scheduled. Please feel free to use our names for reference.

Sincerely,

CC: DAVID BESSER
